I think that looks good. I don't have any additional edits.

Thanks Heidi! I have just a few minor suggested changes to the message (please see yellow/red below). By the way, 

**Ex. 5 AC/DP**

Dane may have comments too.

In terms of who to email and copy, if you reply all to the 1/29 meeting invite and add Loren that would work. And then as mentioned, I plan to reply all to your message on the technical issues and I'll flag Larry's other question plus note our general concerns about the approach here.
